

## ANNOUNCEMENT NO. 2

### ASEAN LAPAROSCOPIC HPB SURGERY CONFERENCE 5.5 (ASEAN LHC 5.5) IN CONJUNCTION WITH VIETNAM HBP SURGERY CONGRESS 2026 (VSHBPS 2026)

*Dear Esteemed Professors, Colleagues, and Partner Organizations/Companies,*

Following Announcement No. 1, the Organizing Committee is pleased to provide updated information regarding the **ASEAN Laparoscopic HPB Surgery Conference 5.5 (ASEAN LHC 5.5)** in conjunction with **Vietnam HBP Surgery Congress 2026 (VSHBPS 2026)** under the theme: *“Minimal Access, Maximum Outcomes: Optimizing Multimodal Therapy for HPB Cancers”*.

The Congress serves as a regional scientific forum to update the latest advancements, enhance professional exchange, and promote collaboration in the field of hepatobiliary and pancreatic surgery.

The event is expected to bring together leading experts, surgeons, and scientists in hepatobiliary and pancreatic surgery as well as laparoscopic surgery from Vietnam, Southeast Asia, and countries such as Korea, Japan, and the United States. It will provide a valuable platform for knowledge exchange and professional development.

Notably, the year 2026 marks the official establishment of the **Vietnamese Society of Hepato-Biliary-Pancreatic Surgery (VSHBPS)**, opening a new chapter for the specialty. This Congress will also be the Society’s inaugural scientific event, laying the foundation for future academic activities, training programs, and international collaborations.
